SAVE AUSTIN'S CEMETERIES

Call for Entries 2019 Photograph Contest

Save Austin's Cemeteries is hosting its annual cemetery photography contest. The purpose of the contest is to increase public awareness and appreciation of the artistic and cultural value of Austin's city cemeteries. The top twelve (12) entries will be compiled as the 2020 SAC calendar. The calendar will be available for sale online with proceeds benefiting SAC projects.

One entry will be selected to be featured on the calendar cover and also receive a free 2020 SAC calendar. Each of the top twelve winning entries selected will receive a one-year membership to Save Austin's Cemeteries.

Entries are due by August 31, 2019.

SAC invites the public to submit photographs meeting the criteria below:

- The subject of the photo must be one or more of the Austin city cemeteries: Austin Memorial Park, Evergreen, Oakwood, Oakwood Annex, and Plummers.
- Photos cannot include images of people.
- The photo may have been taken at any time, not just in the last calendar year.
- A maximum of five (5) entries per photographer is allowed.
- Any one individual photographer may win with up to two (2) entries out of the possible five (5) entries.
- Photographs may be in any photographic medium – color, black-and-white, and/or photo-montage.
- Photographs must be submitted electronically to calendar@sachome.org in digital format. Save digital files in jpeg format at least 150 dpi (300 preferred) in RGB (even if black-and-white photo).
- Title each photograph with your name (Last Name, First Name) and title of photograph.
- An entry form must be filled out for each photograph that includes photographer's name, title of photo, cemetery name, and shooting date.

We are in the process of updating the voting process and will announce that at a later time. The winning entries will be announced October 5th, 2019 during the SAC Annual Meeting to be held at Oakwood Cemetery.

SAC is not responsible for lost, delayed, damaged, misdirected, or illegible submissions. By entering the contest, entrants grant SAC the right to publish/use submitted photographs for advertising and/or promotion of SAC, and for commercial products, including, but not limited to, SAC publications. Any photograph produced will include a photographer credit. Entries not conforming to the above criteria will not be considered. For questions, please contact SAC at calendar@sachome.org.
